I would like KRAB to have a short program on restaurants of the Seattle area. Not the fancy ones, but the unusual ones... The ethnic, cultural & lifestyle diversity of this city should be enjoyed by everyone. Lastly, keep up the good work you are doing. One hell of a good job. I wish that there was a way we could get all of the members (subscribers) & the staff of KRAB together to meet each other. What a group that would be. Thank you for providing an alternative to the norm.

Yours very truly,  
J. G.

Short Waves  
C/O Kras - 8 PM  
2212 S Jackson  
Seattle 98144

I feel that KRAB's greatest strength is their emphasis on Black-oriented musics that are not heard elsewhere. KRAB's greatest weakness is that I can't receive the frequency is that I can't live (Northgate area).

Thanks,  
San Sa J. H.

THE NEXT KRAB STAFF/VOLUNTEER MEETING WILL BE TUESDAY, SEPT. 22, 7:30 P.M. AT KRAB. THE MEETING IS OPEN TO THE PUBLIC.

## CHINA

I would like to present my ideas to your Short Waves column for consideration. The following are my favorite programs on KRAB:

- The Vacuum Tube
- The Moskowitz/Schwartzkopf Celebration of -
- KRABJAZZ

I would like to see a rerun of Pass the Perspective Please.

KRAB's greatest strength is in entertainment, and community discussion programming.

KRAB's greatest weakness is foreign and kid's programming.

Although I respect you in what you are trying to do, I would like to suggest that you improve the efficiency of your programming department.

Yours truly,  
J. R.

P.S. When are the new members of the Jack Straw Memorial Board going to be announced?

Dear KRAB:

My hands-down favorite show, the one that got my subscription this year, is Third World Music. To be more specific, for the two times a month that they play reggae rockers. True Blues & Acrylic Waves are next, although I also like your jazz and folk shows.

KRAB's greatest strength is its open-minded mess.

KRAB's greatest weakness is allowing itself to be a forum for too much radical rhetoric... To have as much good music as you put on the air is truly a blessing.

Sincerely,  
J. H.

Dear KRAB-FM:

My three favorite programs are:

1. Life Elsewhere (New Wave, avant-garde)
2. Swell Maps ( " " )
3. Third World Music (reggae)

Sincerely yours,

# PROGRAMS

A GO-AS-YOU-PLEASE RACE--FREE TO ALL.

A year ago, the directors of KRAB's Jack Straw Memorial Foundation set up a committee to review KRAB programming - defining basic goals and procedures. Current members of that committee are Lorraine Sakata, Alan Swenson, Nancy Keith, Gary Margason, Libby Sinclair, Jamie Garner and Nashira Priestster.

KRAB policy on programming has never been written down in any complete sense. During 17 years of experimental programming done by hundreds of volunteers and staff, ideas on what constitutes "good radio," alternative radio and public service have sometimes fluctuated and changed radically. Listeners, volunteers and staff have not always been in agreement on the best way to achieve both quality and diversity in programming.

The program committee's purpose is to clarify KRAB's goals and then to sift through 17 years experience and through the ideas of everyone associated with the station to improve both program content and broadcast quality.

The following basic principles were developed by the committee and approved by the KRAB Board, unanimously, last summer:

"While recognizing that KRAB programming must be the diverse, indescribable expression of many volunteers and staff members, the following statement describes ideal programming goals.

1. That KRAB present programming of the highest possible quality, esthetically, informationally, and intellectually, with an emphasis on spontaneity and candor.

2. That KRAB programming encourage diversity, reflecting both the local and worldwide community by actively offering access and seeking programming from all sub-groups, however they be defined; racially, economically, politically.

3. That KRAB not limit itself to a single viewpoint or esthetic, but instead challenge its listeners and producers to develop their own by actively seeking and broadcasting multiple viewpoints on particular issues, providing an arena for debate and analysis of those viewpoints.

The programming committee is currently working toward specific definitions and policies and is also setting up practices for improving KRAB's air sound - both verbal and technical.

Throughout this process, the observations and ideas of all KRAB supporters will be welcome. For more information, contact the committee chair, Nancy Keith, c/o KRAB or during the day at 285-3057.

### THE JACK STRAW MEMORIAL FOUNDATION

The Jack Straw Memorial Foundation is a private, non-profit organization dedicated solely to the guidance and support of KRAB-FM. The volunteer Board of Trustees guide the direction of the station and set general policy. In its seventeenth year of broadcasting, KRAB continues to dedicate its airwaves to the freedom of expression through a variety of cultures, music and spoken arts, and political issues. While the station does not espouse any particular cultural, political or social philosophy, it encourages programming that is diverse and often controversial. KRAB is a member of the National Federation of Community Broadcasters.
